REMARKS

In the Response filed on August 27, 2008, the status identifier for claim 3 was incorrect. This response corrects the status identifier of claim 3 to reflect that claim 3 is "currently amended."

The Applicant hereby makes of record all claims currently pending in the application, as well as the correct status of each. No new matter has been added. Thus, after entry of this Amendment, claims 1 and 3-20 will be pending in the application. Withdrawal of the Notice of Non-Compliant Amendment is respectfully requested.

CONCLUSION

In view of the foregoing amendments and remarks, the Applicants respectfully submit that all of the claims pending in the above-identified application are in condition for allowance, and a notice to that effect is earnestly solicited.

If the present application is found by the Examiner not to be in condition for allowance, then the Applicants hereby request a telephone or personal interview to facilitate the resolution of any remaining matters. Applicants' attorney may be contacted by telephone at the number indicated below to schedule such an interview.
